ABOUT PUNTA SARDEGNA, PALAU

Punta Sardegna is a quiet promontory just outside Palau, stretching into the Strait of Bonifacio with open views toward the Maddalena archipelago.

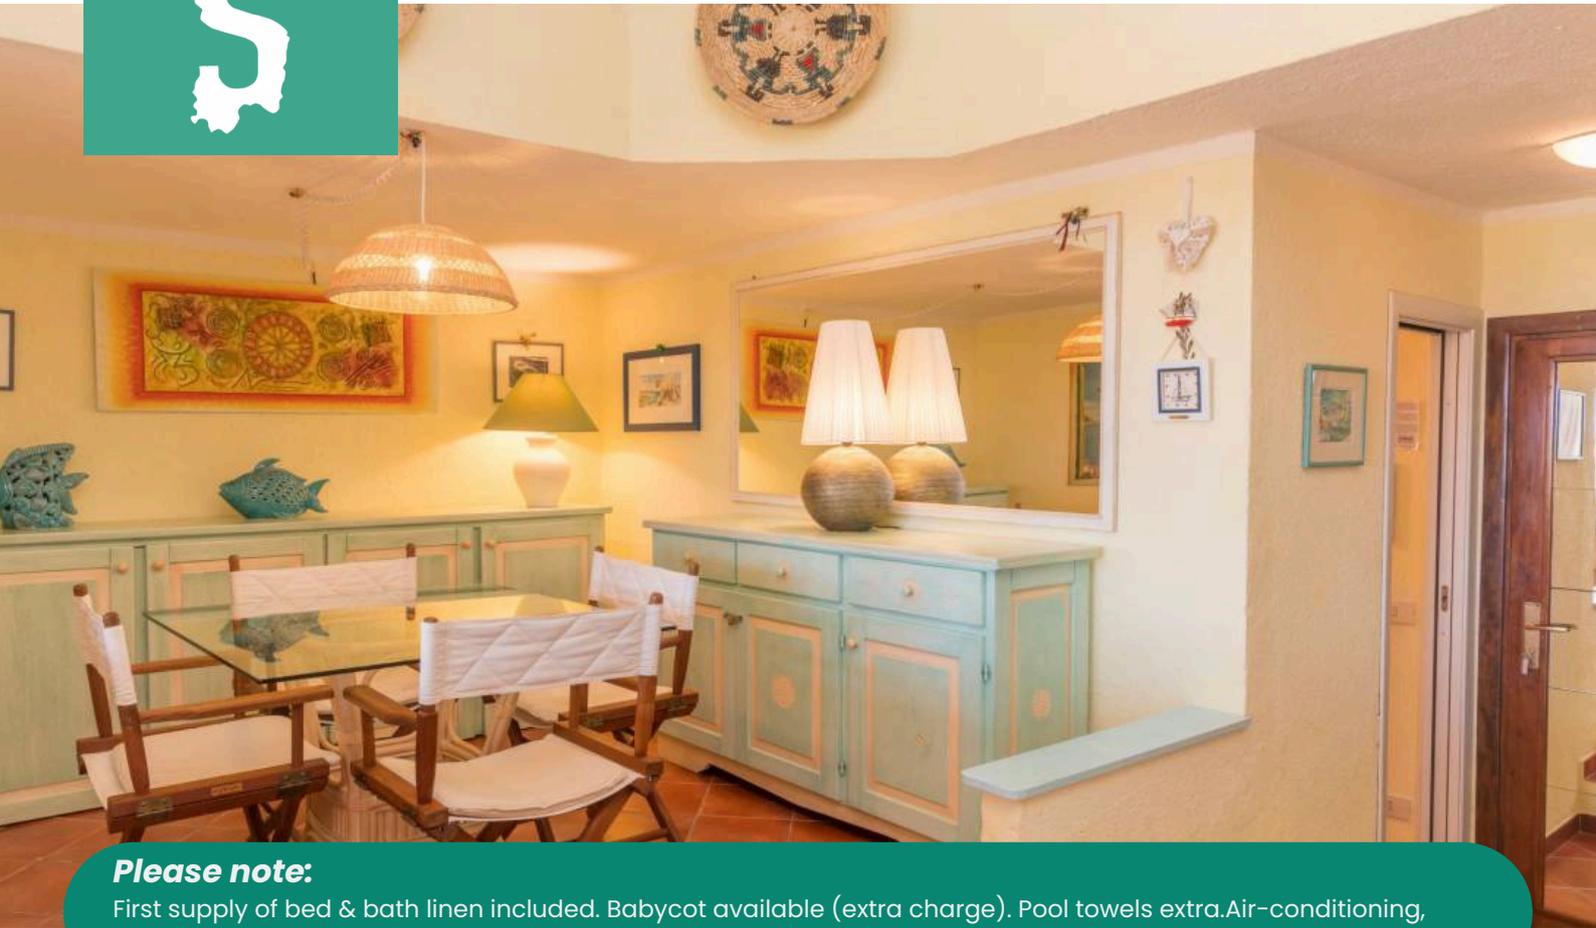

Marked by granite rocks, low Mediterranean scrub, and clear turquoise water, the area feels private and unhurried. Small coves alternate with rocky inlets, ideal for swimming, snorkeling, and watching the light change over the sea. Less busy than central Palau, Punta Sardegna offers a more residential, secluded atmosphere – shaped by wind, sea, while remaining just a few minutes' drive from town services and boat trips.
